

*Agreement for Scholarly Exchange and Collaboration
Between
Friedrich-Alexander-Universität Erlangen-Nürnberg, Germany
And
University of Sarajevo, Bosnia-Herzegovina*

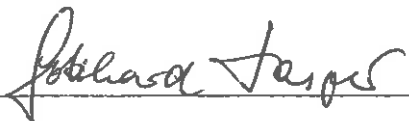

Friedrich-Alexander-Universität Erlangen-Nürnberg and University of Sarajevo, desiring to promote cooperation in the fields of education and in academic research, agree to the following:

1. To encourage exchange visits in the following categories: undergraduate and graduate students, non-teaching and post-graduate fellows, and junior and senior faculty members who will carry out teaching and/or scholarly research, including joint research projects.
2. To exchange information and materials in those fields which are of interest to both Universities.
3. To facilitate negotiations and arrangements made by individuals or faculties in the accomplishment of the above exchanges.
4. To review the status of the cooperative arrangements every four years for possible modifications, clarifications, or termination.

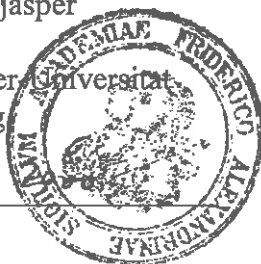

Financial arrangements for the exchanges will be made on an individual basis but it shall generally be the responsibility of the home institutions to provide travel and stipend support unless other arrangements are made.

Officers, agents and employees of Friedrich-Alexander-Universität Erlangen-Nürnberg and University of Sarajevo shall remain the officers, agents, and employees of their home institutions.

This agreement shall enter into force on the date of its signing by the presidents of both universities. Either University may, upon six month's written notice, terminate this agreement.

Prof. Dr. Gotthard Jasper
President
Friedrich-Alexander-Universität
Erlangen-Nürnberg

Date: 25.01.

Prof. Dr. N. Mulabegović
President
University of Sarajevo
Sarajevo

Date: 23.12.1999.

AKNOWLEDGEMENT

This is to certify and to acknowledge that in order to facilitate mutual and direct research activities in the area of Combustion in porous media, between Lehrstuhl für Strömungsmechanik - LSTM, Fakultät für Verfahrenstechnik, Erlangen and Mechanical Engineering Faculty; Sarajevo – MEFS, the following equipment has been transferred from Erlangen to MEFS:

Liste der Gegenstände			
Aktenzeihen GM2038	Bewilligung 20.12.1999	Dienststelle 71/810 083 – 6	Stand 28.03.2000
Gegenstand	Datum	Summe, DM	
Brennerversuchstand	03. März 1997	79.949,00	
Desk Station V	18. August 1998	11.683,52	
Home PC	05. Dezember 1999	4.354,87	
LaserJet 4000	25. April 1999	4.106,40	
PIII	01. Jul 1999	4.250,24
