

Date 7<sup>th</sup> May, 2007

**Subject:** Relationship between Karary University and University of Sarajevo.

Prof. Dr. Faruk Čaklović, Rector of the University of Sarajevo, Visited Karary University of the Republic of the Sudan in Khartoum on May 7, 2007 and held a friendly meeting with the director for potential future co-operation.

With reference to the above subject, Karary University (KU) has expressed its great interest of making a twin relationship with University of Sarajevo (US).

This is to establish a proper training place for the qualification of the staff members. Collages at the University of Sarajevo are highly qualified to help in this matter. Hence junior staff from KU are required to join US sort of agreement between the two places. The agreement addresses the following:

a) Training of staff

1. Ph.D. levels are required for M.Sc. holder in the following specializations:

- a- Chemical Engineering
- b- Civil Engineering
- c- Electrical Engineering
- d- Mechanical Engineering
- e- Surveying Engineering
- f- Computer Science

2. M. Sc. Levels are required for B.Sc. in the following specializations:

- a- Chemical Engineering
- b- Civil Engineering
- c- Electrical Engineering
- d- Mechanical Engineering
- e- Surveying Engineering
- f- Computer Science

*Handwritten signature*  
F.O.

3. training vacancies are required for Diploma holders in each of the following field:

- a- Chemical Engineering
  - b- Civil Engineering
  - c- Electrical Engineering
  - d- Mechanical Engineering
  - e- Surveying Engineering
  - f- Computer Science
- b) It is also required to find some suitable training for technical staff of the College of Technology at US in terms of relevant short courses.
- c) To send staff members from US to the KU for short or long period to help in developing new specializations.
- d) To establish different Hi-tech laboratories and workshops for training at Graduate, B.Sc. and diploma level.
- e) To conduct joints M.Sc. and Ph.D. Program.

Validity:

This agreement will be renewable every four years

**Prof. Dr. Yousif H. A/Rahim**  
**Director - KU**

**Prof. Dr. Faruk Caklovica**

**Rector of - US**
