

**LETTER OF INTENT
Between**

**The University of New Brunswick
Fredericton, New Brunswick, Canada**

And

**The University of Sarajevo
Sarajevo, Bosnia**

Both parties are hereafter collectively referred to as "Parties" and individually as "Party".

Intent of the Parties:

The following Letter of Intent has been concluded between The University of Sarajevo and the University of New Brunswick (UNB) and signifies the future intention of both Parties to pursue mutually beneficial collaboration.

Objectives:

Unless otherwise stated in this section, the focus of this Letter of Intent is understood as the broad exploration of possible goals, modes, and processes, which will aim to collaboratively benefit either a specific faculty/department and/or the whole institution of both Parties.

Areas of collaboration to be explored will include, but are not necessarily limited to: the exchange of students, faculty members, research fellows and visiting scholars to facilitate inter-institutional study, collaborative research, and cooperation on education initiatives.

General Condition:

This Letter of Intent signifies no specific or binding Agreement, but rather states that the intention of exploring such agreements is of interest to both Parties.
