Accreditation

Institutional Accreditation

Telkom University has accredited **Excellent** based on the **National Accreditation Board.**

Study Program Accreditation

of study programs have been accredited for excellence by the National Accreditation Board.

60% of study programs have international Accreditation. programs have

Ranking & Rating

Ranking

WORLD RANK 1201
OF UNIVERSITIES NATIONAL RANK 10

Rating

Research and Innovation

- 1. Achieved the Independent Cluster (highest) in the Field of Research from the Ministry of Research and Technology / BRIN 2023
- 2.Innovation and entrepreneurial center
- 3. Having 36 Center of Excellences in Engineering, Economics, Social, and Arts (Design Project)

SCHOOL AND STUDY PROGRAM

Telkom University Bandung Campus

SCHOOL OF ELECTRICAL ENGINEERING

Telecommunication Engineering*

Electrical Engineering*

Physic Engineering

Computer Engineering

Biomedical Engineering

Electrical Energy Engineering

Master of Electrical Engineering

Doctoral Program in Electrical Engineering

SCHOOL OF INDUSTRIAL ENGINEERING

Industrial Engineering*

Information System*

Digital Supply Chain

Management of Industrial Engineering

Master of Industrial Engineering

Master of Information System

SCHOOL OF COMMUNICATION & SOCIAL SCIENCE

Communication Science*

Digital Public Relation

Digital Content Broadcasting

Digital Psychology

Master of Business Administration

Master of Communication Science

SCHOOL OF COMPUTING

Informatics*

Information Technology

Software Engineering

Data Science

Distance Learning in Bachelor of Informatics

Master of Informatics

Master of Cybersecurity & Digital Forensic

Doctoral Program in Informatics

SCHOOL OF CREATIVE INDUSTRIES

Visual Communication Design*

Product Design & Innovation

Interior Design

Fashion & Textile Design

Creative Arts

Film & Annimation

Master of Design

*Available Class in English **3 Years Program

SCHOOL OF ECONOMIC & BUSINESS

Business Administration

Digital Business

ICT Business*

Accounting

Leisure Management

Master of Management

Distance Learning in Master of Managaement

SCHOOL OF APPLIED SCIENCE **

Diploma of Telecommunication Engineering

Diploma of Software Engineering

Diploma of Information System

Diploma of Digital Accounting

Diploma of Computer Engineering

Diploma of Digital Marketing

Diploma of Hospitality and Culinary Art

Digital Creative Multimedia (4 years)

Applied Science in Smart City Information Systems
